

# Lakshay Pareek

10/448 CHB Jodhpur Rajasthan  
7877692624 | lakshay\_ug\_23@civil.nits.ac.in

## Objective

Aspiring Machine Learning and AI specialist seeking an internship opportunity to apply academic knowledge and technical skills in a real-world setting. Eager to contribute to innovative projects and enhance machine learning competencies.

## Experience

- Machine learning club(NIT Silchar)** 10-07-2024 -  
Member
- Saras AI institute (Tri-Ai-thon)** 15/06/2024 -  
Winner
- Attended several Workshops on AI and Machine Learning** 23/02/2024 -  
Attendee

## Education

- Central Academy CHB** 2020  
Senior Secondary  
89
- National Institute of Technology Silchar** 2023 - 2027  
B.Tech  
7.62 ( 1st Year)

## Skills

- C and C++ programming languages
- Python Programming language
- Machine Learning(TensorFlow, Pytorch)
- Data analysis tools(Pandas, Numpy)
- AutoCAD

## Projects

- Segregation of people who are more likely to buy a car insurance**  
In this project we took data from a insurance company, which is starting a car insurance as well. So we shortlisted a set of people, who are more likely to buy the car insurance, to save company's cost. Below is the link to the project-
